 THE GOLDEN BEER
 Refreshingly rewarding crafted golden beer

2018

Now to the important bit..... pick a Peak!!!

Attached is a list with all the peaks on. A couple have been bagsied by the organising team, hope you don't mind.

The Fell names listed have been hyperlinked – they may take you to more about the peak (if not google it).

Peaks choices are now open and fast being taken, it may take a couple of tries to get one confirmed for your team.

Please pick **3** in order of preference so that if your first choice is gone we can still get you one of your other choices there and then rather than email you back to let you know your choice is already taken.

Once you have chosen your 3 peaks send them via an email to lightthelakes@surrey.pnn.police.uk with your full contact details and the number you anticipate being part of your group.
